

YOUR LOCAL EXPERTS IN AUTOMATIC DOOR & ACCESS SOLUTIONS

OVERVIEW

TMS is the only locally based automatic door and access specialist servicing Greater Geelong, Bellarine, Surf Coast, Barwon, Colac, Melbourne's western suburbs and Ballarat. With more than 25 years of dedicated expertise, TMS is the leading provider in Southwest Victoria, currently maintaining over 80% of the region's automatic access systems.

As an accredited service agent for Dormakaba, Assa Abloy, Gilgen, Access Entry and Record Doors, TMS delivers installation, preventative maintenance, retrofits, repairs and compliance inspections to AS 5007 and relevant building codes. Our client portfolio includes Barwon Health, Colac Area Health, St John of God, Deakin University, GMHBA, WorkSafe, Surf Coast Shire, the City of Greater Geelong and the MCG, backed by a true 24/7 breakdown and emergency response service.

AUTOMATIC ACCESS SERVICES

- **Automatic Door Installation** — custom-designed doors for new builds and upgrades
- **Door & Gate Maintenance** — preventative programs that maximise uptime and lifespan
- **Access Control Systems** — design and installation for staff, residents and visitors
- **AS 5007 Compliance Inspections** — carried out to relevant building codes for peace of mind
- **Retrofits & Upgrades** — improving safety, reliability and performance of existing systems
- **Healthcare Door Maintenance** — specialised service for hospitals and infection-control environments
- **Asset Lifecycle Reporting** — condition, service history and remaining life of every asset

WHY CHOOSE TMS
