

## TRUSTED LOCAL ELECTRICIANS, FOR BUSINESS & INDUSTRY

### OVERVIEW

Total Maintenance Solutions is the trusted commercial electrical partner for the Barwon Southwest region, backed by more than two decades of industry experience. Our licensed electricians deliver new installations, fit-outs, rewires, safety compliance and urgent breakdown response for supermarkets, government, schools, aged-care, health and retail clients — with a true 24/7 emergency response and a strong focus on safety and workmanship.

### FIT-OUTS & INSTALLATIONS

- **Commercial & Office Fit-outs** — power, data, switchboards and lighting for new and refurbished premises
- **Retail Fit-outs** — tenancy fit-out electrical work to strict centre-management timeframes
- **Medical & Healthcare Fit-outs** — specialised work meeting clinical compliance requirements
- **Industrial & New Installations** — three-phase power, machinery connections and full new-building supply

### Maintenance & Compliance

- **Preventative Maintenance & Contracts** — scheduled programs that keep systems safe year-round
- **Switchboard Upgrades & Repairs** — bringing older installations up to current standards
- **Exit & Emergency Lighting** — testing and maintenance to Australian Standards
- **Thermal Imaging & Test & Tag** — fault detection and compliant workplace testing programs
- **Energy-Saving Solutions** — practical upgrades that lower power bills
- **24/7 Emergency Breakdown Response** — around-the-clock support for breakdowns of any scale

### WHY CHOOSE TMS

Licensed electricians delivering a standard of service that is fast, reliable and trusted.

**20+ YEARS INDUSTRY EXPERIENCE | 24/7 EMERGENCY RESPONSE | LOCALLY OWNED | FULLY COMPLIANT**
