

TRUSTED LOCAL ELECTRICIANS, COMMERCIAL & RESIDENTIAL

OVERVIEW

Since 2000, Total Maintenance Solutions has been a trusted provider of residential electrical services across Geelong, the Bellarine Peninsula, Surf Coast, Colac, Bannockburn and Ballarat. Our licensed electricians deliver safe, reliable solutions from small repairs and switchboard upgrades to full renovations, solar, battery and EV charger installations — backed by more than 25 years of local experience, a genuine 24/7 emergency response and transparent, upfront pricing.

ELECTRICAL SERVICES

- **Repairs & Fault Finding** — rapid diagnosis and 24/7 repair of household faults
- **Switchboard Upgrades** — safety switches and circuit protection to current standards
- **Lighting, Power & Ceiling Fans** — installations and upgrades throughout the home
- **Renovations, Extensions & Rewiring** — full electrical design for renovation and building projects
- **Solar, Battery & EV Chargers** — residential solar PV, home battery and EV charger installation
- **Smoke Alarms & Safety Inspections** — compliance testing for buyers, sellers, landlords and homeowners

Commercial

- **Fit-outs** — office, retail and medical/healthcare electrical fit-outs
- **Maintenance & Compliance** — preventative contracts, switchboard repairs, exit/emergency lighting, thermal imaging, test & tag and energy-efficiency upgrades
- **Installations, Rewires & Upgrades** — industrial installations and ageing-building upgrade programs
- **24/7 Emergency Breakdown Response** — around-the-clock support for breakdowns of any scale

WHY CHOOSE TMS
